Quick Start Guide

Key for Backbox Lock is
hanging inside coin door.

Use buttons inside coin door
to access & navigate Test Menu.

Game Operators can quickly
switch the default Home settings:

Enter Button -> Game Presets -> Install Coin-Op

CONNECTING TO THE JERSEY JACK PINBALL APP

After starting a new game & **before you launch your first ball,**
press and hold the **LEFT** flipper button on the game cabinet **AND**
on the App screen. Game will display a message on the monitor if
player login was successful. **Bluetooth on device must be enabled!**

CALIBRATE PLAYFIELD ANGLE

*Level is located to right
of ball shooter lane!*

For ideal speed of play, adjust
leg castors until top of bubble is
touching the **SECOND LINE**

Ensure that you have the latest software code for your game!
Visit the Downloads section on our Support page for updates & instructions.
