Important Game Information

Key for Backbox Lock is hanging inside coin door.

Use buttons inside coin door to access & navigate Test Menu.

Game Operators can quickly switch the default Home settings:
`Enter Button -> Game Presets -> Install Coin-Op`

PLEASE CHECK AFTER UNPACKING YOUR GAME

✓ Leg protectors in place, cabinet legs are secure and stable.
✓ All shipping foam blocks & bubble wrap are removed.
✓ Visited the JJP Website to register your new game!
See additional sheets located in documentation folder for info!

CALIBRATE PLAYFIELD ANGLE

Level is located to right of ball shooter lane!

For ideal speed of play, adjust leg castors until top of bubble is touching the **SECOND LINE**

6.5°

Ensure that you have the latest software code for your game!
Visit the Downloads section on our Support page for updates & instructions.
